

Ali's Basic equipment List

Please note that the list below is merely a suggestion and not at all compulsory for the success of each tutorial. The main items to ensure you have are good quality paper, paints, brushes and the reference.

- Lightweight Drawing Board
- Drawing board rest/slope
- Framer's tape/masking tape
- The surface required for the tutorial - see the specific details for more information
- The paint or medium required for the tutorial - see the specific details for more information.
- Brushes or application tools for the medium being taught - see the specific details for more information.
- Putty Eraser
- Plastic eraser
- Tracedown or a graphite stick or tracing paper
- Good size water pot
- Hairdryer
- Spray Bottle
- Kitchen Roll - good quality

You are welcome to email Ali via ali@learningtopaint.co.uk if you have any queries at all about the materials you have being suitable, either before or after purchase of a tutorial. In each tutorial Ali explains what she uses and why she has chosen specific materials.
